German Corporate Governance Code Declaration of Conformity Pursuant to § 161 of the German Stock Corporation Act

The management board and supervisory board of All for One Midmarket AG hereby declare that the recommendations of the German Government Commission for the German Corporate Governance Code in its version of 18 June 2009 have been complied with during the current financial year and will continue to be complied with in the future except for the deviations outlined below.

The following points are deviations from the code's recommendations:

Section 3.8 Suitable Deductible on Concluding a D&O Insurance Policy

The management board and supervisory board of the company believe that the executive body performs its duties to the fullest extent and in a highly responsible and motivated manner even without a deductible; therefore the D&O insurance will continue to not include a deductible for the members of the company's supervisory board.

Section 5.3 Formation of Committees

The supervisory board consists of 3 individuals. The formation of committees, such as an audit committee (Section 5.3.2) or a nomination committee (Section 5.3.3), would provide no additional benefits and is therefore considered to be neither useful nor practical.

Section 5.4.6 Compensation of Members of the Supervisory Board

Although performance-related compensation is in place on the management board level, such compensation is still considered to be unwarranted at the supervisory board level.
