Final report regarding the share buyback offer

All for One Group SE repurchases 114,953 of its own shares as part of its public share buyback offer

Filderstadt, 11 March 2026 – All for One Group SE announces the final results of the voluntary public share buyback offer published on 17 February 2026, the acceptance period for which ended on 4 March 2026.

By the end of the acceptance period, a total of 179,208 registered shares had been tendered to the company. The offer was for the repurchase of up to 115,000 shares. As the total number of shares tendered exceeds this maximum amount, the declarations of acceptance will be considered in accordance with the allocation rules described in the offer document.

Accordingly, all declarations of acceptance up to and including 100 shares per shareholder were taken into account in full (preferential shares). Shares tendered in excess of this amount were allocated on a pro rata basis at a rate of 47.4906%.

The final repurchase volume amounts to 114,953 shares. At an offer price of EUR 38.60 per share, this results in a total purchase price (excluding incidental acquisition costs) of EUR 4,437,185.80.

The purchase price payment to the custodian banks is scheduled for 16 March 2026. The respective custodian bank will credit the offer price to the account specified in the declaration of acceptance.

Upon completion of the offer, All for One Group SE's treasury stock will increase by the number of shares allocated. Further information on the share buyback offer can be found in the offer document and the notes contained therein.
