

CREATION OF **E-MAIL & WEB- CHANNEL TEMPLATES** FOR EMARSYS

WE OFFER PROFESSIONALLY DESIGNED E-MAIL AND WEB CHANNEL TEMPLATES THAT ARE FULLY COMPATIBLE WITH THE LEADING E-MAIL CLIENTS AND WEB BROWSERS.

WHAT'S INCLUDED?

Our portfolio includes a diverse range of professional services. We offer a customised layout design that effectively reflects your brand identity and attracts the attention of your target group. Our specialists take care of the coding in HTML and CSS to ensure that your emails are optimally displayed in your subscribers' inboxes. We also carry out comprehensive compatibility tests on platforms such as Litmus or EoA (Email on Acid) to ensure that your emails are displayed correctly on all end devices and across various email clients.
